Open Day

Sunday 30 July

9am-3pm

Free your think at Murdoch University's Open Day

Murdoch's annual Open Day is your chance to explore a world of possibilities, and experience all of the courses and opportunities on offer for yourself. Our friendly staff and students are on hand all day to give you real advice, show you around, and help you uncover where your thinking could take you.

Learn the craft of media in industry-standard TV and radio studios, hone your law skills in a purpose built courtroom, undertake the only Veterinary Science course in WA in our community veterinary hospital and on-campus farm, get an edge with Australia's only crime science course, gain hands-on instrumentation and control experience at our industry-standard engineering pilot plant and practice nursing skills in WA's newest and most advanced simulation suites.

With more than 4,000 possible course combinations, there is no limit to where your Murdoch degree could take you. Explore our double majors, find out about international study opportunities, talk to our student community and academics about your passions and find the Murdoch course that's right for you.

Information domes

Start your Murdoch journey by visiting one of our information domes on Bush Court.

Talk to our friendly staff in one of the seven domes to get inspired by course options, alternative pathways, admission, fees, scholarships, student support, uni life and accommodation.

If you're interested in postgraduate study you'll be able to chat to our academics to find out how you can forge ahead in your industry. Come talk to postgraduate specialists about where to get started.

It's not too late to apply for mid-year entry!

Did you know that you can apply for Semester 2 at Open Day? Head to the Student Centre to submit your application, and if successful, you could start classes the very next day!

Tram Tours

With 227 hectares of campus to explore, be sure to jump on board one of our Open Day trams to see it all. Our friendly staff will be on board to tell you all about our beautiful bushland campus, as well as point you in the right direction.

Tram stops include; Bush Court, Engineering Pilot Plant, Nursing Simulation Suites, The Animal Hospital, Veterinary Buildings, Chiropractic and Counselling Clinics, Law and Media Buildings, Student Village, Exercise Science Labs, and Business and Governance Suites.

Entertainment

There will be plenty of rides, roving performers, circus workshops and live performances, as well as a range of fantastic food and drink options. You'll also be able to learn the social side of the university through our Student Guild clubs.

Schedule of activities

There are hundreds of activities on offer throughout Open Day, now the hard part is up to you – deciding what you want to see and do!
